Tukua te wairua kia rere ki nga taumata
Mā te rā e kawē mai te ngao ia rā, ia ra
Mā te marama te whakaora, i a koe i waenga po
Mā te ua e horoi nga maharahara
Mā te hau e pupuhi te pākahukahu ki roto i ā koe i tō hikoitanga i tenei Ao kikokiko

POUHERE:

Kia ora e te whanau o Te Kāpehu Whetū,

So many things on the go here at Kura but I want to mention a couple.....

Firstly – our Tau 6 (Mangoroa) are in the last weeks of their time at Paenuku before moving from primary level to Intermediate. This is a big shift for them and we want to ensure a smooth transition. Whaea Petina is inviting current year 6 and year 7 whanau to join her and staff for an introduction to our TKW Whare Tuakana to see what the future holds and to go through opportunities and expectations we have for **2024 Tau 7 and Tau 8**

- **2024 Paetata - 5pm Tues 21st November**

Second – similarly our Tau 8s are on the move through Paetata (Years 7&8) to Paetawhiti (Years 9&10) so we want to hold an evening for current year 8 and 9 whanau to hear about next year opportunities and expectations we have for **2024 Tau 9 and Tau 10**

- **2024 Paetawhiti - 5pm Tues 28th November**

We will also be letting potential new whanau know to attend these evenings as well

Third – again farewell for the year to all our Paerangi ākonga who have finished their NCEA mahi and are studying for their exams or on leave.....stay safe....enjoy....get a summer job!!

Lastly – once again farewell to our two Year 13s the Manaaki's....thank you guys.

Nāku nā, Whaea Raewyn

PAENUKU

WIKI 5

MANGOROA

TĒNĀ KOUTOU E NGĀ WHĀNAU O TKW

Last term for the year 6 Mangoroa class of 2023..They have been hard at work focussing all their energy on getting mahi done and completing everything before the term ends. Tangaroa has been the kaupapa with an incorporation of cooking to cover their math, science and literacy curricular. "Tūngia te ururua, kia tupu whakaritorito te tupu o te harakeke"

Ētahi mahi i tēnei wāhanga..

Harikoa katoa ngā tamariki ki ngā mahi tunu kai i tēnei wāhanga. Reka rawa ngā kai. Kaha hoki rātou ki te mahi ā roopu, ā takirua rānei. Mīharo ō koutou mahi!!

REKA MŌ TE PUKU!!

I puta katoa ngā pito nā te reka o te kai Bolognese me te Ambrosia.

10/11/2023

WIKI 5

PAETATA/PAETAWHITI

PAETATA ME PAETAWHITI

Kia Mātau:
We empower our ākonga to develop their approach to learning that will allow them to achieve goals that they set themselves.

Kia Māori:
We validate Māori knowledge and validate Māori ways of learning. We have a strong sense of identity.

Kia Tū Rangatira Ai:
We provide an environment for the development of strong character and personal excellence so that ākonga understand how to conduct themselves honourably in the world.

He Nohonga Ngātahitanga Ahau me Te Taiao

This has been an exciting Year in Paetata and Paetawhiti exploring our Local Environment. Term4 Week 5: 'TRI OCEANS' We were grateful for the opportunity to visit Aroha Island with a team of experienced marine researchers and educators based in Te Pēwhairangi - Ipipiri (The Bay of Islands) They were able to inspire and work with our ākonga in the conservation of our local marine environment through research, education and community connections.

PAETATA ME PAETAWHITI

Kia Mātau:
We empower our ākonga to develop their approach to learning that will allow them to achieve goals that they set themselves.

Kia Māori:
We validate Māori knowledge and validate Māori ways of learning. We have a strong sense of identity.

Kia Tū Rangatira Ai:
We provide an environment for the development of strong character and personal excellence so that ākonga understand how to conduct themselves honourably in the world.

Tri Oceans work alongside our local Hapū partners allowing the opportunity to weave mātauranga Māori into all of our work, transforming science into interactive, practical education that ākonga connect with. Whaea Raewyn was able to share kōrero with ākonga about growing up on and around Aroha Island. He Taonga tuku iho. Ākonga were able to learn about marine mammal science with a strong focus on behaviour and acoustics of local whales and dolphins.

ĀKONGA KO'RERO!

AROHA ISLAND. I ENJOYED LEARNING HOW TO TAKE A PROPER PHOTO ON A CAMERA WHILE THE WAKA WAS MOVING. I ENJOYED TAKING PHOTOS BECAUSE I'VE NEVER LEARNED STUFF LIKE THAT BEFORE. I LEARNT ABOUT ACIDIC LIQUIDS AND WHAT THEY DO.
MOANARUA PAUL TAU 7.

I LEARNED ABOUT MANY DIFFERENT WHALES LIKE THE SMALLEST WHALE IS HECTO, AND THE BIGGEST WHALE IS THE BLUE WHALE. I REALLY ENJOYED THE CHEMICAL ACTIVITY.
JULIE HOORI TAU 7

AROHA ISLAND WAS COOL AND FUN. I LEARNT SO MUCH, LIKE HOW TO TAKE PHOTOS WHILE ON A SHAKING WAKA. I LEARNED ABOUT DIFFERENT SEA ANIMALS AND I WOULD LOVE TO GO BACK TO AROHA ISLAND.
KRENSHAW SNOWDEN.

I LEARNT THAT THINGS CAN BE ACIDIC AND THAT MARINE MAMMALS HAVE A WHAKAPAPA. I ENJOYED TAKING PHOTOS WITH THE SPECIAL CAMERAS AND COMING FIRST WITH HOUKURA FOR THE DAILY CHALLENGES.
MELITA TAU 7.

Year 9 and 10 Haerenga ki Ruapekapeka, Kororāreka me Te Rau Aroha

On Wednesday Year 9 and 10 students travelled to Ruapekapeka pā, Kororāreka and Te Rau Aroha. All three places that our students visited had significant historical value to the kaupapa of our Kura in recognising how far we have come as a people and to also remind us of the mahi that we still to do in moving forward as a kura.

Ruapekapeka pā was an important site to visit because it gave students the opportunity to walk a real pā and saw the innovation of Te Ruki Kawiti and the creation of trench warfare.

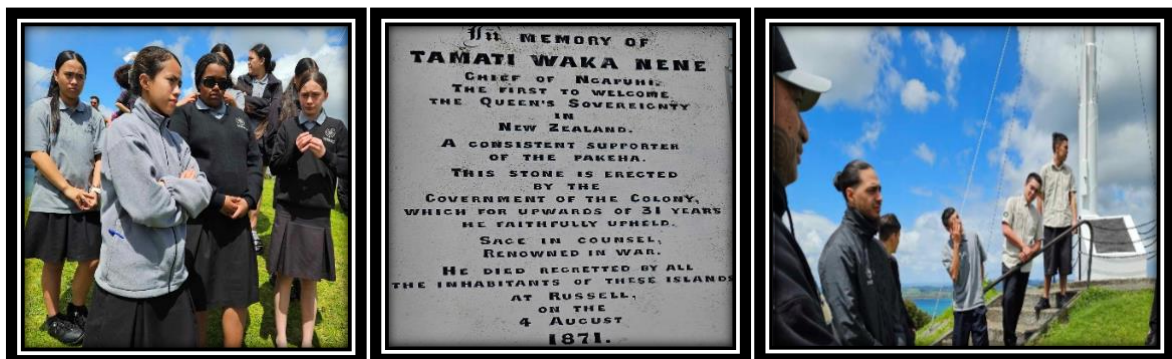

Kororāreka was an Insite into the beginnings of a nation and the conflict that happened in this little settlement. Students visited Maiki Hill where Hone Heke chopped the flagpole down on several occasions.

Te Rau Aroha is always a special place to visit and learn about Te Hokowhitu ā Tūmātauenga. Matua Louis gave some awesome kōrero which also linked our students to our kura and how important ACAD is to our kura.

Although the trip was quick it was important for our students to learn and understand more about our history of what has happened since these events and more importantly the work that still needs to be done.

"Kua tawhiti kē tō haerenga mai, kia kore e haere tonu. He nui rawa ō mahi kia kore e mahi tonu."Tā Hemi Henare.

(We've come to far not to go further, we've done too much not to do more)

Pouwhakahaere Paetata/Paetawhiti Whaea Petina

Pouwhakahaere Paerangi Matua Ropata

ACADEMY

Over the past 5 weeks, the Academy Cadets have been called into many kaupapa, including multiple tangihanga, 28 Māori Battalion medal Ceremony and Italy fundraising events. These kaupapa have given the Academy the opportunity to sharpen up and iron any doubts that prevent the academy from reaching its potential.

The Academy sends their condolences to the whānau Paraone for the loss of aunty Peggy, and secondly to the whānau Wright for the loss of aunty Wikitoria. Kia kore wareware. The response from the boys and the standard that was set at these kaupapa has laid promising times for the future ahead. The boys are getting more and more reliable as they comprehend the true meaning of the Academy and the kaupapa.

With Chief moving to a new job and a change of guard in the Academy, the cadets have responded well and have used this opportunity to take on new challenges. This was shown at the 28 Māori Battalion medal ceremony. The cadets showed discipline, honour, and respect as they carried the Mana of their tūpuna that day. We were also rewarded with a special wairua moment the night before. The presence of the 28 Māori Battalion was felt by the cadets and the opportunity to serve Tā Bom Gillies was an honour the cadets will never forget. Another special moment to put in the Academy archives

The Academy would also like to acknowledge all parents who supported our Italy Fundraising trip running their stores at the InnoNative mini market event. The success of that day will be a huge contribution to our overall goal to get these cadets to Italy for the 80th commemoration of the Battle of Monte Cassino. Overall, there has been a rise in standards in the Academy, it gives great hope for what lies ahead.....**Staff Louis**

TKW Ākonga

Volleyball

Last week Paetata had 2 mixed teams entered into the volleyball festival tournament held at Kensington stadium. All players enjoyed the experience and came away excited, proud of themselves and wanting to play more. Both teams won 2 games out of 3. We look forward to seeing volleyball grow at our Kura.

Indoor Cricket

Learning new skills and techniques of how to play indoor cricket at the Northland cricket association. At first there were mixed feelings about the sport, but the passionate and engaging coaches Rob Geaney and Ben made their experience fun, challenging and competitive, which is what the ākonga loved the most. A massive mihi to Northland Cricket for sharing their knowledge, expertise and the new bags, balls and posters.

Nā whaea Kay

Tu ki te marae, Tu ki te ao

Hailing from Tai Tokerau, we have the Tai Tokerau Natives Rugby Team, embarking on an exciting journey across the USA, participating in three matches across various provinces, kicking off in San Francisco. Among the outstanding members are the 2023 Head Girl, No:1 jersey **Wikitoria Rogers**, and the accomplished former Pou Arahi, Year 13, No:3 jersey **Erana Paraha**. Your performance is perfect, pushing the boundaries of excellence in the world. Make the most of your game time, showcasing your skills and determination. Te Kāpehu Whetū has been eagerly tracking your adventure, and we extend our cheerful congratulations to these remarkable ladies.

Nā whaea Yvonne

10/11/2023

WHĀNAU, PLEASE NOTE

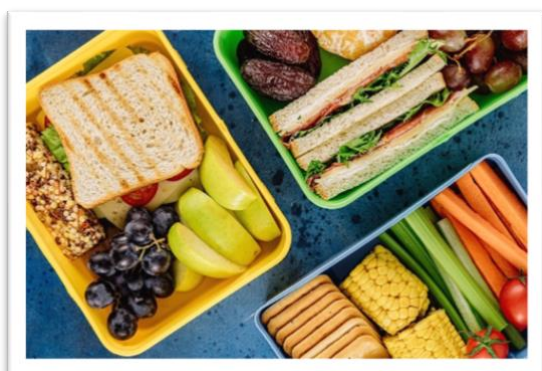

Our kura has high expectations of ourselves and ākonga therefore we need to:

1. Turn up regularly, consistently and engage with what we have to offer
2. Turn up awake – whanau please monitor and manage the late-night device use
3. Turn up in uniform/clean/ironed - they can do at Kura if need be
4. Turn up showered - again we have the facilities if you need them
5. NO rat tail hair – this is nothing but a teen trend and goes against our standards

We are looking to progress ākonga who reflect high potential in:

- Kia Māori
- Kia Mātau
- Kia Tū Rangatira

Ākonga who are also well rounded in terms of their own hauora therefore:

Healthy kai (provided) and Wai Māori are the only acceptable kai allowed at TKW. Unhealthy kai such as pies, fizzy drinks, chocolate, lollies and gum, McDonalds, KFC will be confiscated and replaced with healthier kai options and returned to ākonga after school

Please ensure that your tamariki has a clean and named water bottle with them each day.

Our Kura supports Healthy Kai & Wai Māori

10/11/2023

As part of the merge process Te Kāpehu Whetū has been working with SchoolDocs to create a website for our policies and procedures. We are excited to announce that the site is now live and available to our school community.

All Te Kāpehu Whetū policies and procedures are **currently under review**. The Education Review Board (ERO) highlighted 6 areas which they are focussing on in all kura and these are the areas we are looking into with high priority. We are currently reviewing all policies related to emotional wellbeing of students and physical wellbeing of students (including EOTC) We will continue to update our whanau with important information in regard to our policies.

We work with SchoolDocs to maintain, update, and review our policies. SchoolDocs provides us with a comprehensive core set of policies, which have been well researched and align with the National Education and Learning Priorities. The policies and procedures are tailored to our kura, and policies have been worked on in conjunction with Te Kāpehu Whetū staff.

SchoolDocs updates, modifies, or creates policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools, and regular reviewing from the SchoolDocs team. Our school board can view changes/additions and comment on them before they are implemented.

We invite you to visit the site at <https://tkw.schooldocs.co.nz>
