TE KĀPEHU WHETŪ

Kia ora e te whanau o Te Kāpehu Whetū,

What a week!!!

Watching the tangihanga of Kiingi Tuheitia and the announcement of Kuini Ngā wai hono i te po Paki as his successor....both kura sites watched proceedings throughout the week....the coverage on TV media allowed us all to be part of a significant day/week for Māori.

Whether we are Tainui or not or whether we support the Kīngitanga or not, there was no doubt that the events of the last few weeks have impacted Māori across the motu. To see Tainui come together over the last week, conducting powhiri after powhiri after powhiri for huge crowds, feeding thousands and maintaining tikanga was inspiring to say the least! It left many Iwi contemplating their own purpose, growth and development. Consequently, today, I like many others attended the Ngāpuhi Runanga roadshow at Hihiaua, as our own Iwi Runanga endeavour to reset and consider our common future. As whanau of a Kura Māori it is imperative that we work in kotahitanga with each other, within our own whanau, Hāpu and Iwi, for the benefit of our tamariki and mokopuna....that is the endearing message left to us by Kiingi Tuheitia and the proceedings of this week! Which is why I can say:

I love our kaupapa and our panui!!

It shows the mahi and effort continuously put in by staff and ākonga across our Kura....and we see our Kura and our ākonga lifting. It is the hard yards and incessant commitment by ākonga, whanau and staff that enables our Kura to look towards horizons from Paenuku to Paetata to Paetawhiti to Paerangi....*"Waiho i te taha katau o te rā, o te marama o kōpū rere ai"*

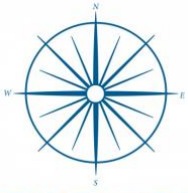

"Empowering our ākonga to Be Māori, Be Educated, Be Rangatira so that they can navigate their futures in a changing world....standing confidently on the marae and in the world"

"Tū ki te marae....Tū ki te Ao"

Whaea Luana and Whaea Hera are both out māuiui, we wish them both a speedy recovery. We have a plan in place to support Paenuku. Whaea Petina and Whaea Jo-dean (Mokopuna ECE) are going down to support. Paetata and staff are out at AIMS Games, ***Good luck and Go hard!!!*** Through to the end of Term 3 our focus will be on preparing Paenuku and Paetata for Regional Kapahaka in the first week of Term 4 and there is a focus on getting Paerangi through their NCEA and a continuation of capability building across our 3 Pou in all four whare!

Kia pai to wiki

PAENUKU/PAETATA KAPA HAKA

Kia ora koutou,

REMINDER: KAPA HAKA TRAINING THIS WEEK WILL BE DOWN AT AIMS

We are drawing closer to the kapa haka regionals that take place in Kaikohe on the 19th of October 2024 (End of Week 1 Term 4).

Below is the outline of the training schedule moving forward from here. It is important that your tamaiti/tamariki attend all trainings and come prepared, knowing every item, so that we can continue to progress with our bracket.

As always, we want to ensure that our kapa put their best foot forward. We have an exciting bracket with lots of new elements, and we will need each practice to perfect each item.

As the competition date approaches, we will send out another pānui outlining performance times and the travel schedule. This will include a list of items each tamaiti will need for the performance.

If you have any questions or queries, please don't hesitate to contact Matua Ropata, Whaea Hera, or Staff Louis.

PAERANGI

Tēnā koutou katoa

It has been a busy week in Paerangi with special interest in the tangihanga of Kīngi Tūheitia Pōtatau Te Wherowhero in Waikato and more so who the next monarch will be.

Tuesday was a good chance to catch up with whānau on the progress of their tamaiti in Paerangi at hui whakapiki. It was also a chance to touch base with those whānau who turned up.

Paerangi ākonga have had various outings this week as well with Waerenga garden mahi and students out doing a NorthTec course.

Ākonga are progressing with their assessments for NCEA and will continue to do so until each subject is completed.

Kia kaha tonu tātou

Ngā mihi

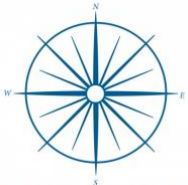

Matua Ropata

IRON MĀORI UPDATE

We will be entering several teams into IronMāori Tamaki 2024 next term on Saturday 16th November 2024. In preparation we will be doing sport specific trainings for our swimmers, cyclists and runners. There will be a lot of interest in the swimming and cycling groups in particular so priority will go to those who are committed and bring a great attitude. With a strong aerobic base built up from classes at Whangarei Boxing Gym, and from the cardio work at kura, we are in a very strong position to push hard and excel in our training and in competition.

Nga mihi, Matua Rua
