PANUI MO TE WIKI TUATAHI

Nau mai hoki mai e te whānau o Paetata!

We hope you've all had a refreshing break and are ready for another awesome term of growth, learning, connection and of course, fun!

It's been a good start to Term 3 in Paetata. This week we've spent time reconnecting, resetting our Code of Conduct and revisiting the tikanga of our whare, the values that guide how we learn, support one another, and represent ourselves and our kura.

Our AIMS Games crew has hit the ground running with training sessions already underway. Big mihi to Matua Mohi who's been leading the way with coaching and preparing our ākonga for the competition ahead.

IMPORTANT TERM 3 REMINDERS:

◆ THE BEAST – Friday 25 July

All of Paetata will be taking part in The Beast mud fun run at Ludgate Farm, Ohaeawai. It'll be a full day of mud, challenge, and fun, dress appropriately and get ready to get messy! Permission slips will be sent home on Monday.

◆ HĪKOI CONTINUES

Our hīkoi up Parihaka will take place every second Monday, starting this coming Monday. Please ensure ākonga have comfortable walking shoes.

◆ AIMS GAMES

Costs have now been sent home to whānau of those ākonga in the AIMS team. We will be holding two hui at kura to discuss AIMS preparations. These hui dates are tbc but will be week 3 and week 6

The games take place in Week 8 (August 30 to September 5), more details to follow in the coming weeks.

The far horizon

Kia ora e te whānau,

Term 3 is here, we hope you all had a good break. It was great to see everyone arrive back. Paetawhiti have started the term with a good vibe in the whare.

It has been excellent to see almost everyone in correct uniform, sharp and ready (as Whaea Petina likes to say). Everyone has arrived back with a positive attitude ready to learn and do the mahi.

We appreciate your support with the uniform. The process in arriving with incorrect uniform is to send ākonga to the office to see if there is a spare uniform. If there isn't a call will be made home to bring correct uniform to school. We know that can be hōha, but we hope you will support our efforts to maintain high expectations. The students have been told that if their uniform is dirty or wet, to bring it to school and they can wash and dry them. We have let them know that they are more than old enough to be responsible for making sure they are organised for the day ahead.

We have also asked them to have their own water bottle, especially if they are in kapa haka. Many of them do not drink enough water during the day and it is important to keep themselves hydrated.

They also need to bring their own pens or pencils. This term we are really focusing on personal responsibility, managing ourselves.

Amelia leading a small group discussion

This week we have been settling back into classes. Kapa haka practice continues daily from 11:30-5pm for those performing in Regionals. They are sounding better each day, and it has been a real pleasure to watch them practice together.

Those who aren't in kapa haka continue with normal classes. The last period of the day we have been trying to do something that doesn't involve writing or reading. We walked down to the art gallery at the ihub and spent an afternoon making structures using their blocks. We also have spent a few days learning some different boardgames. It has been fun trying to beat them. I am still the last card champion but they quite often beat me on 21. Whaea Petina also started some art with them around their taiao topic.

Whaea Petina and I have been really pleased with how everyone has started the term. Teachers have commented on how relaxed everyone seems this week. Later this week we will be sending home a pānui about Common Assessment testing and topics we are covering this term. Look out for it on Wednesday.

PAERANGI

During the break our Pouarahi and ACAD ākonga were privileged to have a chance to meet and chat to a couple of the Māori All Blacks and Black Ferns before their game on Saturday. A pure coincidence, Black Fern, Mia Anderson was one of the players we met at maumahara and she found her great great grandad Harding Waipuke Leaf greeting her as one of our tupuna 28th Maori Battalion soldiers. This was a special moment for her and for us, and she shared it with the world via social media.

The term has started full of activity, powhiri, kapa haka, RFL, coaching clinic, chainsaw use course and the day to day academic classes. We will have a focus on academic success this term. We want our ākonga to push themselves beyond the achieved grades and see that merit and excellence can be and should be the norm. We look forward to discussing their progress with you at our Hui Whakapiki Week 4.

KAUPAPA

We believe passionately in our culture, our people, our ākonga, and we know that through hard work, commitment, and focused support they will achieve within the Kura and beyond. We do this hereby acknowledging the 28 Māori Battalion and the price paid for citizenship, so that 'we' can "Navigate Māori Futures".

To do this we commit to success in all its forms:

Kia Māori - Be Māori - Be

Kia Māori - Be Māori - Be
An education that validates Māori knowledge and ways of learning.

Kia Mātau - Be Knowledgeable - Know

Kia Mātau - Be Knowledgeable - Know
Encouraging innovation, inquiry, the development of specialised knowledge and skills.

Kia Tū Rangatira Ai - Be Rangatira - Do

Kia Tū Rangatira Ai - Be Rangatira - Do
Development of strong character and personal excellence, living with mana.
